Chazak v'Ematz

Be Strong and Courageous

Torah Fund Spring Appeal

Dear Sisters;

This stunning pin is available now through the end of May 2023. Wouldn't it be lovely to proudly wear your pin at your Seder as we commemorate how strong the women and men who left Egypt needed to be? In today's world, with so many issues challenging us, we can proudly wear our pins once again, showing the world that we too are strong and brave.

By making a contribution of \$180 to Torah Fund you will receive this pin as our thanks. Of course, contributions of any amount are appreciated, and It's quite easy. No need to write a check! Simply go to;

After you have done so, please email me and I'll deliver a pin to your home!

Another easy way to contribute to Torah Fund is by purchasing Ecards.

Send a greeting with ecards and support Torah Fund! Our familiar designs are available in this new format. Customize a card, and your recipient can receive it immediately or whenever you specify. Your transaction will be handled securely and efficiently, and revenue from the Torah Fund ecards benefits our Torah Fund general campaign. Make your gift more meaningful by using our ecards for every occasion!

I've personally sent several of these in the last month. It costs about the same as purchasing a greeting card from a store, but saves you the trip, and stamps! The cost is only five dollars! You may contribute additional amounts if desired.

Be sure to include Beth El Zedeck in the "affiliate" line so we can receive the credit for your contribution.

Your contribution to Torah Fund supports scholarships and programs in the worldwide Conservative / Masorti Institutes of higher learning. The dedicated philanthropy of the Women's League for Conservative Judaism, Torah Fund has raised nearly \$108 million in its 80 years.

More than 35 years ago women changed the Conservative Movement to become rabbis and cantors in synagogues, and over the years, our donors have had an important role in the perpetuity of Conservative Judaism.

Here is a link to a video by students and leadership at the Zacharias Frankel College in Germany that I found inspiring. Please enjoy.
